What I feel, I can't say, but my love is there for you, any
time of day
But if it's not love that you need
Then I'll try my best to make everything succeed

Chorus:

And tell me, what is my life without your love
And tell me, who am I without you by my side

What I know, I can't do, if I give my love to everyone
like you
But if it's not love that you need
Then I'll try my best to make everything succeed

(chorus)

(Solo)

What I feel, I can't say, but my love is there for you, any
all time of day
But if it's not love that you need
Then I'll try my best to make everything succeed

(chorus repeats out)
