We were special people, feeling perfect love
Protected by eachother, like a hand inside a glove
Now you say you're leavin', as you wave goodbye
You won't see me cry, you won't see me cryin'
Taking flings for granted, drove us both apart
We fell into a pattern, ah we fell and lost the heart
Isn't it a pity that we didn't try
You won't see me cry, you won't see me, you won't see
me cry
You won't see me cry, you won't see me, you won't see
me cry
Maybe I will write you, someday I may phone
To see if you're surviving, living all alone
You know that I still love you, of that I cannot lie, but
You won't see me cry, you won't see me, you won't see
me cry
You won't see me cry, you won't see me, you won't see
me cry
You won't see me cry (repeats out)
