Verse 1:

U've been played
I've been played
He been playin games
Loveless lies all this grief all this fucking pain
Your heartaches
Heartbreaks...then it does the same
Over and over u cry
And thatz a damn shame
You've got to reconcile
Reconcile wid ya mind
And I knew he lied
And I know it hurts
I feel ya pain inside
But there's much worst
You can still be in it wid a fucking jerk
A low life bastard who only know dirt
If lovin him was wrong and you wanna be right
You got to fight
U got to fight tha pain
U got to fight ya heart
It may seem hard
But hey it's a start

Chorus:

I know he hurt you
I know he played you
I know its hard and
And seems unreal too
But u just have to
Try to fight it

Try to fight it
Try to fight it X2
Verse 2:
Get ova wat he put you through
Trust me its not good for you
If you stayin in da past
Then where is ya future boo?
Questions u must ask yaself
This can't be good for ya health
And if you knew the pain I dealt
