(to the tune of 'Light My Fire' by the Doors)

I'm gonna raid your fridge

And there's nothing you can do about it

Then I'm gonna eat your cheese

And then I'm gonna...slice some more

Chorus: Liar, liar, pants on fire

Liar, liar, pants on fire

Try to set you pants on.... FIRE!

I'm gonna walk down your street

And I'm gonna pick up all your garbage

And take it to the landfill

Then I'm gonna kill your brother, yeah...

(Chorus)

(Solos)

I'm gonna kill your sister

There's no two ways about it

Then she's gonna kill your dog

And then she'll clean the cat box...

(Chorus a few times)

END
