pretend you can hear me then wish you were dead .

then youll never have to listen to me again.

your so famous then go back to vegas marrie 4 times a
night

thats your delight,drink all night.GO insane.you might
as well put a bullet in my brain

mabey should have just droped my head

be dead or rot in a jail cell living off bread.

running around my cell sining im dead im dead

you dont even know the pain it will drive you insane like
a bitch biting your dick you just wana beat her with a
stick so good night and god bless N just rember whos
the best under neath your girl friends dress
