Once there came a storm in the form of a girl
It blew to pieces my snug little world
Sometimes I swear I can still hear her howl
Down through the wreckage and the ruins

And it ain't gonna rain anymore
Now my baby's gone
And it ain't gonna rain anymore
Now my baby's gone

Now the storm has passed over me
I'm left to drift on a dead calm sea
And watch her forever through the cracks in the beams
Nailed across the doorways of the bedrooms of my
dreams

And it ain't gonna rain anymore
Now my baby's gone
And it ain't gonna rain anymore
Now my baby's gone

Now I got no one to hold
Now I am all alone again
It ain't too hot but it ain't too cold
And there is no sign of rain

And it ain't gonna rain anymore
Now my baby's gone
And it ain't gonna rain anymore
Now my baby's gone
And I'm
Here I'm on my own

She ain't coming back no more
She ain't coming back no more
She ain't coming back no more
Say what you will, I don't care

And it ain't gonna rain anymore
Now my baby's gone, yeah
And it ain't gonna rain anymore

Now my baby has gone
