Despair and Deception, Love's ugly little twins  
Came a-knocking on my door, I let them in  
Darling, you're the punishment for all of my former sins

I let love in  
I let love in

The door it opened just a crack, but Love was shrewed  
and bold  
My life flashed before my eyes, it was a horror to  
behold  
A life-sentence sweeping confetti from the floor of a  
concrete hole

I let love in  
I let love in  
I let love in  
I let love in

Well I've been bound and gagged and I've been  
terrorized  
And I've been castrated and I've been lobotomized  
But never has my tormenter come in such a cunning  
disguise

I let love in  
I let love in  
I let love in  
I let love in

O Lord, tell me what I done  
Please don't leave me here alone  
Where are my friends?  
My friends are gone

O Lord, tell me what I done  
Please don't leave me here alone  
Where are my friends?  
My friends are gone

I let love in

I let love in

So if you're sitting all alone and hear a-knocking at you  
door

and the air is full of promises, well buddy, you've been  
warned

Far worse to be Love's lover than the lover that Love  
has scorned

I let love in

I let love in

I let love in

I let love in

I let love in

I let love in

I let love in

I let love in
