I hold d this letter in my hand  
A plea of petition, a kind of prayer  
I hope it does as I have planned  
Losing her again is more than I can bear

I kiss the cold white envelope  
Press my lips against her name  
Two hundred words, we live in hope  
The sky hangs heavy with rain

Love letter, love letter  
Go get her, go get her  
Love letter, love letter  
Go tell her, go tell her

A wicked wind whips up the hill  
Hand full of hopeful words  
I love her and I always will  
The sky is ready to burst

Said something I did not mean to say  
Said something I did not mean to say  
Said something I did not mean to say  
It all came out the wrong way

Love letter, love letter  
Go get her, go get her  
Love letter, love letter  
Go tell her, go tell her

Rain your kisses down upon me  
Rain your kisses down in storms  
For all will come before me  
In your thin and fading forms

Out of my mind  
Will leave me standing in the rain  
With a letter and a prayer  
Whispered on the wind

Come back to me

Come back to me  
Oh, baby, please come back to me
