Winding your way down to Baker Street
Light in your head and dead on your feet
Well
another crazy day.
You'll drink the night away and forget about ev'rything.
This citydesert makes you feel so cold

it's got so many people but it's got no soul and it's
taken
You so long to find out you were wrong
When you thought it held ev'rything.

You used to think that it was so easy
You used to say that it was so easy

But you're trying
you're trying now.
Another year and then you'll be happy

Just one more year and then you'll be happy
But you're crying you're crying now.

Way down the street there's a light in his place

He opens the door he's got that look on his face.
And he asks you where you've been
You tell him who you've seen and you talk about
anything.
He's got his dream about buying some land

He's gonna give up the booze and the one night stands
And then he'll settle down in some quiet little town.
And forget about everything.

But you know he'll always keep moving
You know he's never gonna stop moving
'Cause he's rolling
he's the Rolling Stone.
When you wake up
it's a new morning

The sun is shining
it's a new morning.
You're going
you're going home.
