"Ask Yourself"

I can see that you're hurting right now
and no words can take away the blazing pain
I know you lost the one you thought was the one
but don't bruise yourself and take all the blame

So you loved, you lost - you're broken!
Don't you know this one was out of your hands?

- Chorus

Did you fight the pouring rain?

Just ask yourself

Giving more than everything

Just ask yourself

And did you love with arms open?

Yea you did well

So go easy on yourself!

Go easy on yourself!

You took the break up,

And why it went so wrong

All on your shoulders - Unbearable!

Hey, you were never meant to carry it on your own

Like you were the only one

So you loved, you lost - you're broken!

Don't you know this one was out of your hands?

- Chorus

Did you fight the pouring rain?

Just ask yourself

Giving more than everything

Just ask yourself

And did you love with arms open?

Yea you did well

So go easy on yourself!

Go easy on yourself!

Did you face your deepest fears?
Give it all - oh nothing less
Smile through every tear
And did you love with every breath?

- Chorus

Did you fight the pouring rain?
Just ask yourself
Giving more than everything
Just ask yourself
And did you love with arms open?
Yea you did well
So go easy on yourself!
So go easy on yourself!
