I search anyway  
Break the wall of inert  
Why doesn't anyone  
Bleed to death?

If you have the blood  
Write your name forever  
Set your eyes in flames  
And bleed to death

Eternal suffer  
Run over the veins  
Eternal suffer  
To the end

I search by any means  
Break the wall of inert  
Why doesn't anyone  
Bleed to death?

Eternal suffer  
Run over the veins  
Eternal suffer  
To the end

Eternal suffer  
Run over the veins  
Eternal suffer  
To the end
