He's all the way live, he's all the way live
He's all the way live, he's all the way live
He's all the way live, he's all the way live
He's all the way live, he's all the way live

He's all the way live, he's all the way live
He's all the way live, he's all the way live
He's all the way live, he's all the way live
He's all the way live, he's all the way live

Tenors:

Don't you know that he's the, king of kings,
Don't you know that he's the lord of lords,
He's give me peace though my storm

Altos:

Heal the sick n he raise the dead
Five thousands souls he'd fead
He died on calvary, do you know he lives in a me

Sopranos:

My God is all the way live
God is all the way live
My God is all the way live

He's Alive
He's Alive
He's Alive
(Repeat)

He's all the way live
Live
Live
He's all the way live
