Baby tonight as gentle and light
Incoming from the west
Girl yesterday nearly blew us away
Tomorrow's anybody's guess

Ooh you never know
Life's an uncertain road
Take you high and take you low
But don't you worry baby

I'd go anywhere
As long as you're there
Any way the wind blows
I'll be by your side
For the rest of my life
Any way the wind blows

Girl I don't mind
Which zip code we find
Our mail delivered to
If I can wake up
With you that's enough
Don't care about the latitude

Oh you never know
Life's an uncertain road
Take you high and take you low
Bur don't you worry baby

I'd go anywhere
As long as you're there
Any way the wind blows
I'll be by your side
For the rest of my life
Any way the wind blows

Hold on baby
Hold on tight
I'll begin this ride with you

I'd go anywhere

As long as you're there
Any way the wind blows
I'll be by your side
For the rest of my life
Any way the wind blows
[x2]

Any way the wind blows
Any way the wind blows
