It's the same thing everyday
It won't go away
Like round and round on an old fairy's wheel
It's taking over everything I got
A ride I can't get off
Baby, you know how I feel!
Cause your habit is so hard to breathe
I don't know how much more I can take!

Chorus:

Cause everyday I wake up, everyday I wake up
Everyday I wake up dreaming of you!

I'm so sorry for the things I've done
I know I've done you wrong
If I could only take back the time!
Cause reflect in those eyes of eyes of blue
I see the truth, and it's no fault of mine!
And I can bear for us to be apart
And I want you back before it breaks my heart!

Chorus:

Cause everyday I wake up, everyday I wake up
Everyday I wake up dreaming of you!
I just wanna make up, I don't wanna break up
Cause everyday I wake up dreaming of you!

Now I understand the part of who I am
And now I know I am nothing without you,
nothing without you!

Chorus: (x2)

Everyday I wake up, everyday I wake up
Everyday I wake up dreaming of you!
I just wanna make up, I don't wanna break up
Cause everyday I wake up dreaming of you!
