I'm so lonely, so lonely I could die.
Lord, I'm so lonely, so lonely I could die.
After all I've been through, I'm still wondering why.

I used to wear this ring-it meant everything to me.
I used to wear this ring-it meant everything to me.
Now I'm stuck here wondering just who the hell I'm
gonna be.

I love you so damn much I don't know what I'm gonna
do.
I love you so damn much I don't know what I'm gonna
do.
Can't stand to look at life without you.

Oh, why am I crying here alone, so full with anguish
and with pain?
Why am I crying here alone, so full with sorrow and with
pain?
Wondering if I'm gonna, if I'm gonna see the light
again.

I'm so lonely, so lonely I could die.
Lord, I'm so lonely, so lonely I could die.
Send me one good angel and you know I'm gonna try.
