I know I've been gone for you  
I don't know just what to do  
I know I've been down  
I know I've been cruel  
I just want you to know that I know I'm a fool

When everything's wrong, you're right  
I wish I was seeing you tonight  
'Cause nothing feels worse than feeling like a stranger  
to you  
Oh, I know that I have been a fool

And I feel that this time  
What I'm fighting-it's only mine  
All I need is time  
Just keep telling me you're mine

I know I've been down  
I know I've been wrong  
I know that the stars will bring me home  
I know all I want is just to be loved and to know that it's  
true  
Oh, I know that I have been a fool

And all I'm trying to do is just to be myself and feel  
at peace with what I've said  
I'm always disappearing, you don't know what I've been  
hearing from these voices in my head  
And all I wanna do is just wake up this time and feel  
it's me getting out of the bed  
I'm truly trying to be revealing  
But truth's just not always appealing

And I feel that this time  
What I'm fighting-it's only mine  
All I need is time  
Just keep telling me you're mine

I know I've been gone for you  
I don't know just what to do  
I know all I want is just to be loved and to know that it's

true  
Oh, I know that I have been a fool  
Oh, I know that I have been a fool
