You would do anything for anyone  
And you would never ask twice  
Cause that's just the person that you were  
And anytime one of use needed something  
You were always there with open arms

The pain on everyone,  
Seeing her suffering  
For all the good she's done,  
She doesn't deserve these things  
But now she's on her way out,  
Which is a crime in it self  
But she's gotta go,  
Just like everyone else

Everyone has no choice but to say goodbye  
And no one can resist so it's o.k to cry  
She's soon to be an angel flying threw the sky  
As she leaves to a better place

But you'll always be here in my heart yeah  
Yeah you'll always be here in my heart yeah

This is the hardest song,  
I've ever had to write  
Because this song goes out,  
With a persons life  
But I've only really got one thing to say  
And that's that Luva Mason was just so great

Everyone has no choice but to say goodbye  
And no one can resist so it's o.k to cry  
She's soon to be an angel flying threw the sky  
As you leave to a better place

But you'll always be here in my heart yeah  
Yeah you'll always be here in my heart yeah  
Yeah you'll always be here in my heart yeah  
Yeah you'll always be here in my heart yeah
