Nice to meet you, I'm losing my head
Not my future, not even my bed
You're the human I came here to see
Not to mention, it got back to to me

Got me thinking, that's all I can say
Little moment, the faintest of day
Thought you told me I got what it takes
Got me thinking it's all I can say

Ah ha, ah ha, ah ha, ah ha, ah ha

Look what I found, ah ha
Can't get around, ah ha
Look what I found, ah ha
You can't get around, no

I can confess that I'm going to fast
Maybe this time I'll be sure to last
If you cross me I promise you'll see
I'm a lotus eventually

Should have warned you which way I would go
Took me years just to flow like I flow, yeah
Give me progress that can't be delayed
Got me thinking that's all I can say

Ah ha, ah ha, ah ha, ah ha, ah ha

Look what I found, ah ha
Can't get around, ah ha
Look what I found, ah ha
You can't get around, no

Ah ha
Look what I found, ah ha
Can't get around, ah ha
Look what I found, ah ha
You can't get around, no

Ah ha
Look what I found, ah ha

Can't get around, ah ha
Look what I found, ah ha
You can't get around, no
