Whoa
Whoa-oa
I'd like to thank you
I'd like to come back down
Whoa
Whoa-oa
I'd like to thank you
Ooh, for killing me

Look around
Everywhere you're turning 'round
I'm everywhere
I'm everywhere that you go
So go to sleep
And go to sleep 'cause I'm alive
I'll let you in
I'll let you on the cold floor
(I'll let you come in, I'll let you come in)
I'll let you in

Whoa
Whoa-oa
I'd like to thank you
I'd like to come back down
Whoa
Whoa-oa
I'd like to thank you
Ooh, for killing me

I'm coming down
I might've thought I fooled you, but
They'll say I'm wrong
No matter what I stand on
So look alive
They'll be here any day this time
I'm giving in
Ooh, for the first time
(I'm giving in, I'm giving in)
I'm giving in

Whoa

Whoa-oa
I'd like to thank you
I'd like to come back down
Whoa
Whoa-oa
I'd like to thank you
Ooh, for killing me
Whoa
Whoa-oa
I'd like to thank you
I'd like to come back down
Whoa
Whoa-oa
I'd like to thank you
Ooh, for killing me

I'd like to thank you
Ooh, for killing me

Yeah, yeah, yeah, yeah
Whoa
Whoa-oa
I'd like to thank you
I'd like to come back down
Whoa
Whoa-oa
I'd like to thank you
Ooh, for killing me
Whoa
Whoa-oa
I'd like to thank you
I'd like to come back down
Whoa
Whoa-oa
I'd like to thank you
Yeah (for saving me)
