Uno, dos, tres, quatro

This is a joke  
I hope you're going to think twice  
Don't look at me  
You've got your good advice

A lack of love  
A lot to learn, get hurt  
Dirty machine, you've got me clean  
Please sir, please sir

But everyone shows me faces  
But everyone shows me faces  
Hey, hey, hey  
Hey, hey, hey, yeah

But everyone shows me faces  
And everyone shows me faces  
Hey, hey, hey  
Hey, hey, hey, yeah

What makes you think?  
You could get away with this  
Just like a dream  
Get on the scene, dismissed

I ate your heart  
I hope your friends don't mind  
You hate to hate a piece of me  
Piece of mind, piece of mind

But everyone shows me faces  
But everyone shows me faces  
Hey, hey, hey  
Hey, hey, hey, yeah

But everyone shows me faces  
And everyone shows me faces  
Hey, hey, hey  
Hey, hey, hey, yeah

She looks good in everything  
She looks good in everything  
She looks good in everything  
She looks good in everything

But everyone shows me faces  
But everyone shows me faces  
Hey, hey, hey  
Hey, hey, hey, yeah

But everyone shows me faces  
And everyone shows me faces  
Hey, hey, hey  
Hey, hey, hey, yeah

In everything, in everything  
In everything, yeah, in everything  
In everything, yeah
