Well lend me a shoulder
over and over
I'm a misunderstanding
so why aint you laughing?
doo doo doo, doo doo doo, doo doo doo

I'm just a hell of a guy
I bet you're wondering why
you havent heard of my name
from how I'm playing my brain

How did I hurt you?
Look what I went through
oh my head wasnt working
I couldn't salute you
doo doo doo, doo doo doo, doo doo doo

I'm just a hell of a guy
I bet you're wondering why
you havent heard of my name
from how I'm playing my way. Ooh!
I'm just a hell of a guy
no matter how hard I try
I got alot to say
dont ever think what to say

Hey, woo oo oo hey. Come on

doo doo doo, doo doo doo, doo doo doo
doo doo doo, doo doo doo, doo doo doo

I'm just a hell of a guy
I bet you're wondering why
you havent heard of my name
for now I'll be on my way. Ooh!
I'm just a hell of a guy
no matter how hard I try. Yeah!
I got alot to say
dont ever think what to say

Woah, come on!
