You're looking good, don't you think it's funny
This is how you make all your money
Oh, can you see it
Oh, just believe it
C'mon, yeah
Yeah c'mon, yeah

I'm feeling good, maybe just disaster
The part she shoved on my plate tasted like laughter
Oh, can you see it
Oh, just believe it
C'mon, yeah
Yeah c'mon, yeah

But oh, when you see me
Oh, just believe it, see

Cause I'm a bullet in your bed
I'm only seeing red
I love it when you're dead
Oh, you're so beautiful
A bullet in your bed
I'm only seeing red
I love it when you're dead
Oh, you're so beautiful

I'm on the floor, body full of poison
Just a little more time before I'm jumping
Over your trees, I can't wait to see your reaction
In the fashion

I'm feeling good, baby don't you know it
I won't be home in your bed, now you can show it
All over the city
Oh, you're such a pity
C'mon, yeah
On and on, yeah

Oh, when you see me
Oh, just believe it

I'm a bullet in your bed
I'm only seeing red
I love it when you're dead
Oh, you're so beautiful
A bullet in your bed
I'm trying to use my head
I love it when you're dead
Oh, you're so beautiful
Oh, you're so beautiful

(I tried to tell you)

Cause I'm a bullet in your bed
I'm only seeing red
I love it when you're dead
Oh, you're so beautiful
A bullet in your bed
I'm trying to use my head
I love it when you're dead
Oh, you're so beautiful
