I like you better in any weather
When you're not trying, it's so inviting
I don't deserve you, I can't afford you
Unless you're timeless

I wanted to say that I had nothing to do with
The meaning of love so you can't say that the new will
I wanted to hide but I had nothing to do with
The meaningless loving ahead

I find that letter, we wrote together
When time was fearless, nobody's mistress
I tried to tell you, I can't afford you
Unless you're timeless

I wanted to say that I had nothing to with
The meaning of love so you can't say that new will
I wanted to hide but I had nothing to do with
The meaningless loving ahead

I wanted to say that I had nothing to do with
The meaning of love so you can't say that new will
I wanted to hide but I had nothing to do with
The meaningless loving ahead

Said, you can walk with me
You can walk with me

You can walk with me
You can walk with me
You can walk with me
You can walk with me

You can walk with me
You can walk with me
You can walk with me
You can walk with me

You can walk with me
You can walk with me
You can walk with me
You can walk with me
