Blessed is the man  
Who doesn't walk in the counsel of wicked  
or stands with sinners,  
Nor sits with those who scorn!  
His delight is in the law of the Lord  
And is Lord he meditates day and night

He's like a tree planted by the water site  
which brings all its fruit the right time.  
His leaf will not wither even in the winter time  
God blesses all his...

But the ungodly ..soul  
They're like.. but the wind blows away  
Only those who do what's right,  
will stand on that day! (x2)

Blessed is the man  
Who doesn't walk that way!  
So be like a tree  
Planted by the water site
