

Mark Of Cain, The "Tell Me"

Visit "[Tell Me](#)" on MotoLyrics.com

You like it like this?
Well I don't think so
And I don't see
What you know?
And you tell me
I'm like a cop inside
And you don't know anything

Tell me, so tell me,
What do you know?
So tell me, tell me
Tell me

You stand there, and judge me still
You tell me what's right, and tell me what's wrong
What's in my head?
(Can you tell me that too?)
Tell me the truth
To think you know anything

Tell me, so tell me,
What do you know?
So tell me, tell me
Tell me

So tell me
So tell me
Tell me
So tell me
Tell me
