

Mark Of Cain, The "Walk Away"

Gotta walk away
Should've walked away

Gotta get away, from this town
Gotta get away, it keeps driving me down
When things got too much for me, I bury myself
When I didn't wanna see, steady myself

Insulated, isolated
I should've walked away
I couldn't help myself

I should've walked away
I should've walked away

Why wasn't we, who are burdened
With the duty to destroy everything
Couldn't even find the strength
To give a friend a ring

Should've walked away
While I was intact
I should've walked away
Couldn't find the strength

Insulated, isolated
I couldn't help myself

[illegible]
