Uh

Ha, take it from the top, hey

Your mama don't wear no draws, uh
We was there when she took em off, uh
It was me Sharleen and Paul
Put a good foot down and stirred it up, uh
She was cooking that gu-gumbo, uh
You could tell cuz we smelled the smoke
Put a good foot down inside the pot, uh
Saw the draws floatin on the top, uh
She was cooking that gu-gumbo, uh
I could tell cuz I smelled the smoke, uh
Poot a good foot in the pot, uh
All we are is all we got, uh
Your mama don't wear no draws, uh
We was there when she took em off, uh
It was me Sharleen and Paul
Put a good foot down and stirred it up, uh
