I like to wait to see how things turn out
If you apply some pressure
I like to wait to see how things turn out
If you apply some pressure

You know that I would love to see you next year
I hope that I am still alive next year
You magnify the way I think about myself
Before you came I rarely thought about myself

Behind your veil I found a body underneath
Inside your head were things I never thought about
You know that I would love to see you next year
I hope that I am still alive next year

What's my view?
Well how am I supposed to know
Write a review
Well how objective can I be
What's my view?
Well how am I supposed to know
Write a review
Well how objective can I be

I like to wait to see how things turn out
If you apply some pressure
I like to wait to see how things turn out
If you apply some pressure

What happens when you lose everything
You start all over again

I like to wait to see how things turn out
If you apply some pressure
I like to wait to see how things turn out
If you apply some pressure

What happens when you lose everything
You just start again
You start all over again
What happens when you lose everything

You just start again
You start all over again

Everything
You start all over again
Everything
You start all over again

What happens when you lose some pressure
Apply some pressure
Lose some pressure
Apply some pressure
Lose some pressure
Apply some pressure
Lose some pressure
What happens when you lose some pressure
Apply some pressure
Lose some pressure
Apply some pressure
Lose some pressure
Apply some pressure
Lose some pressure

You know that I would love to see you next year
I hope that I am still alive next year
You know that I would love to see you in that dress
I hope that I will live to see you undressed
