I look up at this mountain in marble  
It stands so tall  
So tragically it's fragile  
I'm waiting for it to fall  
Enormous mass it's made of glass  
Instead of with a substance  
That's stronger  
U thought that it would hold me  
I can't take it any longer

I'm gonna break out  
I'm gonna break out  
I'm gonna take  
All of my love back  
On the way out  
[REPEAT]

I'm free now  
I'm gonna take  
All of my love back  
On the way out

The fortress of our trust  
A mirage of a might mound  
I let U build around me  
Above me  
It seemed profound  
But much to my surprise  
It receives a little hit  
And it crumbles  
I'm leaning at the core  
No support  
All I can do is stumble

I'm gonna break out  
I'm gonna break out  
I'm gonna take  
All of my love back  
On the way out  
[REPEAT]

I'm free now  
I'm gonna take  
All of my love back  
On the way out

I'm gonna break out  
I'm gonna break out  
I'm gonna take  
All of my love back  
On the way out  
[REPEAT]

I'm free now  
I'm gonna take  
All of my love back  
On the way out

A streak of light  
Exposes all the glass for stone  
This mountain  
Can no longer pass  
The confidence that we share  
Has been a facade

I'm breaking out and  
Leaving only the shards

Formidable  
The structure only looks  
I bust right through the glass  
One attempt and  
That's all it took  
I wanted to remain  
Feeling safe  
But it just can't sustain me  
It feels more like a trap  
Gotta break out  
Won't let it contain me

I'm gonna break out  
I'm gonna break out  
I'm gonna take  
All of my love back  
On the way out  
[REPEAT]

I'm free now  
I'm gonna take  
All of my love back  
On the way out
