Baby, can't you see  
I'm calling  
A girl like you  
Should wear a warning  
It's dangerous  
I'm fallin'

There's no escape  
I can't hide  
I need a hit  
Baby, give me it  
You're dangerous  
I'm lovin' it

Too high  
Can't come down  
It's in my head  
Spinning 'round and 'round  
Can you feel me now?

With a taste of your lips  
I'm on a ride  
You're toxic  
I'm slipping under  
A taste of poison paradise  
I'm addicted to you  
Don't you know that you're toxic  
And I love what you do  
Don't you know that you're toxic  
I'm burnin' up from what you do  
You know that you're toxic

Oh, it's getting late  
To give it up  
I took a sip  
From my devil cup  
Slowly  
It's taking over me

Too high  
Can't come down

It's in the air  
And it's all around  
Can you feel me now?

With a taste of your lips  
I'm on a ride  
You're toxic  
I'm slipping under  
A taste of poison paradise  
I'm addicted to you  
Don't you know that you're toxic

With a taste of your lips  
I'm on a ride  
And you're toxic  
I'm slipping under  
A taste of poison paradise  
I'm addicted to you  
Don't you know that you're toxic  
Oh, and I love what you do  
Don't you know that you're toxic  
I'm burnin' up from what you do  
Don't you know that you're toxic
