Come fly with me, let's fly, let's fly away
If you can use some exotic booze
There's a bar in far Bombay
Come fly with me, we'll fly, we'll fly away

Come fly with me, let's float down to Peru
In llama land, there's a one-man band
And he'll toot his flute for you
Come fly with me, we'll float down in the blue

Once I get you up there where the air is rarefied
We'll just glide, starry-eyed
Once I get you up there, I'll be holding you so near
You may hear angels cheer because we're together

Weatherwise it's such a lovely day
You just say the word, and we'll beat the birds
Down to Acapulco Bay
It's perfect for a flying honeymoon, they say
Come fly with me, let's fly, let's fly away
