I was going hard  
Yeah i am cool i am cool  
I got to tell you what happened last week  
I was at the airport my mind was relaxing  
And it was this fine girl she was smoking hot  
And she came to me she look me in the eyes  
Caught me caught me off guard  
You ain't gonna believe what she told me  
Fuck me in Ibiza  
Say what  
Fuck me in Ibiza  
Man let the games begin  
Fuck me in Ibiza  
Fuck me in Ibiza  
Man when that plane landed  
We got a taxi cab and went straight to the hotel  
We hit the hotel we hit the beach we hit the club  
All week long all night long  
Fuck me in Ibiza  
Fuck me in Ibiza  
Fuck me in Ibiza
