Don't blame me
For the fun that you missed
Don't blame me
'Cause it hurts when you piss
Don't blame me, Don't blame me.

Don't blame me
For the things that you lost
Don't blame me
And the people you crossed
Don't blame me, Don't blame me.

It's so easy to blame everyone
Look in the mirror you're the only one
Your finger points at those who care
Just keep it up and they won't be there.

It's so easy to blame everyone
Look in the mirror you're the only one
Your finger points at those who care
Just keep it up and they won't be there.

Don't blame me
For mistakes that you made
Don't blame me
'Cause you can't get laid.

Don't blame me, Don't blame me
Don't blame me, Don't blame me
Don't blame me.

Don't blame me
For the fun that you missed
Don't blame me, Don't blame me
'Cause it hurts when you piss
Don't blame me, Don't blame me
For the things that you lost
Don't blame me, Don't blame me
And the people you crossed
Don't blame me, Don't blame me
For mistakes that you made

Don't blame me, Don't blame me
'Cause you can't get laid.

Don't blame me, Don't blame me
Don't blame me, Don't blame me
Don't blame me, Don't blame me.
