Today
Today
I saw a man
Today
I saw a man
Using an empty whiskey flask as a walkie talkie

Today
Today
I saw a man
Today
I saw a man
With a flaming eight ball tattooed on his arm
Today

Today
Today
I saw a man
Today
I saw a man
Using an empty whiskey flask as a walkie talkie

Today
I met a man who threw his arms around me

And I've given
And I've given
And I've given
(Today)
And I've given
And I've given
(Today)

And I've given
And I've given
And I've given
And I've given
And I've given
And I've given
(Today)

And I've given

And I've given
(Today)
And I've given
And I've given
And I've given
And I've given
And I've given

Today, today
Today, today
We laughed
We laughed
(Waiting for a train)
For a few
(Into the city)
Seconds

That white stuff
That white stuff
(Waiting for the train)
That stuff
(Into the city)
That's what makes me feel
(Today)
Feel
Feel
(Today)
Feel happy
