## "8 - Ball"

Today, today I saw a man  
Today I saw a man  
Using an empty whiskey flask as a walkie talkie

Today, today I saw a man  
Today I saw a man  
With a flaming 8 ball tattooed on his arm

Today

Today, today I saw a man  
Today I saw a man  
Using an empty whiskey flask as a walkie talkie

Today I met a man  
Who threw his arms around me  
And I've given, and I've given

Today  
Today  
Today

Today  
Today  
Today

We laughed, we laughed  
Waiting for a train  
For a few into the city, seconds

Today, that white stuff  
That white stuff  
Waiting for the train

That stuff into the city  
That's what makes me feel

Today  
Feel, feel  
Today  
Feel happy
