Bubble girl you feel like a movie
bubble blow bleed faster liquid
bubble fish take fast slow fast slow
bubble fast slow down big slow up

blue blue

blue blue

little girl you chew gum then i'll come to you
bubble blow bigfastup bigfastup fishtank
bubble fast slow down big slow groove
bigfastup heavy wings gone
dripsadly into liquid
dripsudden think of something quick
drips faster sometimes into my hand

falls apart

fools imagine to slow bank

slow slow fans

sneak up lights across the horizon
sneak up last light in moonlight
party crashers over the ocean
left to right

bubble blue you comeback you slowdown
bubble blow bigfastup bigfastdown
bubble fish take fast slow fast slow

a-bubbli - ng and bubbl-ing and bubbling
