Up on the mountain
The midnight faces
Everybody got some
Big emotion

Up on the mountain
Big emotion
Same ambition

King of snake
Snake, snake
Snake, snake

Twenty four hours
With the king of snake

King of snake, king of snake
Twenty four hours
With the king of snake

Snake, snake, snake, snake
Snake-fighting, it's very scary fighting snake
Very dangerous, so is very po-popular
At midnight everybody dancing on street

Here, everyone with same identity
Down their sake, sake is
Very strong, like vodka
Very dangerous, so everyone get a rolled

Up ne-newspaper, set it on fire
And put it in between
Snake-fighting, life
Strong food answering drink at midnight
