Que?
Did you get these from around here?
Que?
Very racy, hey hey hey hey
The face is thinking hmm, shmm, hmm
Que?
Things like that, yeah, yeah do you?
Que?
I don't think so, no
Actually I think you do have
Oh God, you're looking well man
I dunno, I dunno, I haven't weighed, ah, weighed
I never weigh myself
Maybe it is haa, uh it's weird, do you?
Que?
Oh well, no I do, it's, it's strange
I've just got some kind of weird growing disease
But I do I feel, haa, I feel like I'm still growing
sometimes
If I really stand up up straight, I just go fucking hell
I didn't use to be that tall
Que?
Que?
Listen, um
Que?
Que?
Que?
[Incomprehensible]
[Incomprehensible]
[Incomprehensible]
[Incomprehensible]
Yeah go, I won't
Que?
