(anatano yume ni watashi wo tamoteru) can you hold
me in your dreams...
(anatano yume ni watashi wo tamoteru) can you hold
me in your dreams.
(watashi wo kanjiru koto ga dekiruno watashi ga anata
wo kanjiru youni)
can you feel me like i feel you. goodbye mother earth.

goodbye mother earth. goodbye mother earth. can you
feel me like i feel you.
i don't want to kill time. i want it to live.
i'm not wasting this life. i'm letting it in.
you just rip off the planet and take what you want. i'm
coming to get you.
if you dont give up.

beautiful destination. whats it worth.
beautiful destination. goodbye mother earth.

i am all that surrounds you. the earth and the sky.
you. you're the mouth and the money thats bleeding
me dry. why.

i am not a spirit of the world. i heal the spirit of the
world.
i am not a spirit of the world. goodbye mother earth.
i heal the spirit of the world.

(kocchi da) it's a beautiful destination.
(kocchi da) for what its worth...
goodbye mother earth.
