anatano yume ni watashi wo tamoteru

- can you hold me in your dreams?

watashi wo kanjiru koto ga dekiruno

watashi ga anata wo kanjiru youni

- can you feel me like I feel you?

goodbye, mother earth...

can you feel me like i feel you?

i don't want to kill time

i want it to live

i'm not wasting this life

i'm living it in

you just rip off the planet

and take what you want

i'm coming to get you

if you don't give up

a beautiful destination

what's it's worth

a beautiful destination

goodbye, mother earth

i am all that surrounds you

the earth and the sky

you
you're the mouth and the money
that's bleeding me dry
why
i hear the spirit of the world
goodbye, mother earth
kocchi da!
it's a beautiful destination
kocchi da!
for what it's worth
kocchi da!
it's a beautiful destination
kocchi da!
goodbye, mother earth
it's a beautiful destination
for what it's worth
it's a beautiful destination
goodbye, mother earth
