Mmm, skyscraper I love you  
A beautiful thing  
A beautiful thing

Mmm, skyscraper I love you  
Mmm, skyscraper I love you

Mmm, skyscraper I love you  
Mmm, skyscraper I love you  
Mmm, skyscraper I love you

Thirty thousand feet above the earth  
It's a beautiful thing and you're a beautiful thing  
Thirty thousand feet above the earth  
It's a beautiful thing and everybody's a beautiful thing

Mmm skyscraper I love you  
Mmm skyscraper I love you

And I see Elvis  
Elvis

I see porn dogs sniffin' the wind  
Sniffin' the wind for somethin' new  
Porn dogs sniffin' the wind  
For somethin' violent that they could do

Porn dogs sniffin' the wind  
Sniffin' the wind for somethin' new  
Porn dogs sniffin' the wind  
For somethin' violent for me 'n' you

Will you be my big plaything?  
My total big disorientator  
Will you be my big plaything?  
My ninja power, my number cruncher  
(Yes, yes, yes, no, yes, yes)  
(Yes, yes, yes, yes, no, no)

And I see Elvis  
And I hear God on the phone

Mmm, skyscraper I love you  
Mmm

I see porn dogs sniffin' the wind  
Sniffin' the wind for somethin' new  
Porn dogs sniffin' the wind  
For somethin' violent they could do

Porn dogs sniffin' the wind  
Sniffin' the wind for somethin' new  
Porn dogs sniffin' the wind  
For somethin' violent for me 'n' you

The city is a whore tonite

I see God talkin' to  
Elvis!  
God talkin'

Pornfest pork fat Jesus Christ's night light  
Elvis fresh meat and a little whipped cream  
Pornfast corn fat Jesus Christ's night light  
Elvis fresh meat and a little whipped cream

Thirty thousand feet above the earth  
Thirty thousand feet above the earth  
Beautiful thing, you're a beautiful thing  
Thirty thousand feet above the beautiful earth

Mmm, skyscraper I love you  
Mmm, skyscraper I love you  
Mmm, skyscraper I love you  
Mmm, skyscraper I love you

(Hug me)  
(Hug me)  
Look I'm feelin' you  
(Hug me)  
Look I'm feelin' you  
(Hug me)  
Look I'm feelin' you  
(Hug me)  
Look I'm feelin' you  
(Hug me)  
Look I'm feelin' you  
(No this won't)  
Look I'm feelin' you  
(Hug me)  
Look I'm feelin' you  
(I stay to)  
Look I'm feelin' you

(Hug me)  
Look I'm feelin' you  
(No this won't)  
Look I'm feelin'
