Rioja Rioja, Reverend Al Green  
Deep blue move on coal  
The water on stone  
The water on concrete  
The water on sand

The water on fire, smoke  
The wind the salt  
The bright laconic  
Dave and the water old man

Einstein on top of his house white  
Deep blue Andalusia  
Red yellow, red yellow black  
Car red light on a black plays white  
Blue chair Morocco and the Paris

The pieces of the puzzle are waiting  
The water of the dark boats  
Planning the life boat's gone out to sea  
Dave is floating, Dave is floating  
And old man Einstein, crazy in his attic

Wise room, sun room, shadow room  
Night transmitting cars across the room  
These things sent to dance across the room  
I'm watching from your bed returning to you
