I'm a rubber ball
(Victims of success)
(We all are)

Blackbird sittin' at the kitchen door
Don't give him bread, he'll come back for more
Point to the bush where the berry grow
Rub your belly and touch your toes

We are strong
We're invincible
We are driven snow in the face of all

We are strong
We're invincible
We're a rubber ball

Blackbird shackled in a golden cage
Mother nature she shake with rage

Well, he was born with his
And I was born with mine
And there is still a dividing line
Says we are strong

We're invincible
And we are driven snow
In the face of all

We are strong
We're invincible
And we're a rubber ball

Who says we are strong
And we're invincible
And we are driven snow?
