I'm a rubber ball
(Victims of success
We all are...)
Blackbird sittin' at the kitchen door
Don't give him bread he'll come back for more
Point to the bush where the berry grow
Rub your belly and touch your toes
We are strong
We're invincible
We are driven snow in the face of all
We are strong
We're invincible
We're a rubber ball
Blackbird shackled in a golden cage
Mother nature she shake with rage
Well he was born with his
And I was born with mine
And there is still a dividing line
Says we are strong
We're invincible
And we are driven snow

In the face of all

We are strong

We're invincible

And we're a rubber ball

Who says we are strong

And we're invincible

And we are driven snow.
