And it's okay  
And it's okay  
And it's okay  
And it's okay

And it's okay  
You give me everything I need  
And it's okay  
You give me everything I need

Whispers  
Elevators  
Bad boy  
Drive

New York girl  
Bang  
Weird thing  
Huge

Amazing  
Download  
Something  
Paradise

And it's okay  
You give me everything I need  
And it's okay  
You give me everything I need

I got your picture on  
Whispers, bad boy  
Elevator, agitator  
New York girl, corkscrew hair

Bang, now  
Wanna be, wanna be stars  
Through these joyous times

And it's okay  
You give me everything I need  
And it's okay

You give me everything I need
