Album: A Hundred Days Off (2002)

There was a little drawing of a heart next to that,
followed by an exclamation mark.
The back of his was covered in stuff... stuff like:
Brandon is not a very nice guy, but Alex is sooo nice.
And that had the exclamation thing too.
It was just silly crap that hit the spot. And he let himself
be drawn in.

you bring light in...

to a dark place
walking in light
glowing walking in light
gold ring around you
the hues of you
the golden sunlight of you

you bring light in...

cool wind following
following after you
rising for you
your skin beautiful
everything comes natural
fantastic fan
rocking rocking floating
