I'm having a whinge  
A winjer today, today  
I could be a diamond  
I brought anything on a winjer

Having a whinge  
Everything  
Everything looks miserable  
When you're the winjer

Opinions in the house of flame  
When you're the winjer

I'm having a laugh  
I'm having a laugh  
With the roof off and the sunlit  
Take your top off  
Take your, take your top off

You look happy now  
You look happy now  
No spikes  
Having a laugh

Warm grass around you  
Warm grass around you  
Warm grass around you

On a winjer  
Today could be a diamond  
I could be a diamond  
About anything

Everything looks miserable  
When you're the winjer

I'm, I'm, I'm  
I'm having a laugh  
With the roof off and the sunlit  
Take your top off  
Take your top off  
Bird in the hall moonlight

Follows the road

Warm grass around you

Warm grass around you
