She's the kinda girl you meet over coffee at the church  
social  
You thank the Lord for your luck beggin' just to bring  
you closer  
Then you take her to a fine restaurant and you buy the  
girl a drink  
Next thing you know she's all Coyote Ugly  
Bumpin' and grindin' on the bar like Madonna or Pink

Yeah she's a train wreck  
She's a noose around your neck  
She's the kinda girl you don't take home to mama  
She's the girl you say you want but then you wanna  
Get off the train, the train wreck

She said she grew up on a farm so you take her to the  
country  
You were picturin' a picnic, she was thinkin' somethin'  
more funky  
So you say, whoa whoa, hold on now  
Cause you don't wanna be her baby daddy,  
so you drive off in a cloud of dust

She's a train wreck  
She's a noose around your neck  
She's the kinda girl you never give your number to  
Your name or home address or she will come for you  
Get off the train, the train wreck  
That girl is just a train, she's a train wreck  
She's a train wreck, she's a wreck baby

She's a train wreck  
That girl's a noose around your neck  
You tell all your friends it's over, she's a goner  
Cause you never can admit how much you want her,  
you want her, you want her  
Get off the train, the train wreck  
That girl is just a train, she's a train wreck  
She's a train wreck, she's a wreck baby

Fishnet stocking and the high-heeled shoes

Boy you can admit she's got a hold of you  
Blaze a laser from her big blue eyes  
Better watch your back she's tellin' lies, she's tellin'  
lies...  
And that ain't even true

She's a train, a train wreck  
That girl is just a train, she's a train wreck  
She's a train wreck, she's a wreck baby
