(featuring Lil' Mo)

Boy I could have sworn that I told you  
All those other phone numbers in my pager don't mean  
jack to me  
So if your gonna start actin' crazy  
Save it  
Don't even try to play me for your own uncalled  
insecurities

Chorus:

When all I ever do is give you my time  
We be fightin' over the stupidest lil' things  
The way you actin' lately baby  
It's not right  
So if you're gonna be shady  
Than I can't be your lady no more  
Boy how many times I gotta tell you  
That when I'm on the road  
I can't answer my phone every single  
Time it rings  
Next time you leave a message  
Stop thinkin' and screamin' that I'm cheatin'  
You know that's not my steez

Chorus

Baby what I do to  
Make you feel this way  
I never thought  
You'd change  
Especially towards me  
You've been saying things  
That's makin' me believe  
That you're so insecure  
And the reason is 'cause me  
Chorus
