"Testing Out Love"

I got a question for you
Tell me if it's true,
True that you're mine,
Oh mine then lets put it on the line
I want a kiss from you cause all the girls in our business
Is this silly of me
I want the whole world to see
Chorus:
Suga see I'm just testing our love
for the record just testing our love,
oh, suga see I'm testing out love
for the record little test of the love
oh sugar
Don't you get funny with me
Give me your hand and let me hold it
Do you got something to hide
Oh maybe too much pride
You say I'm the only one
I want the whole world to see
That you're happy with me
Chorus
Repeat
